## Article I.

## RECOGNITION

### Section 1.01 Recognition

The Board of Education of Huntley Community School District 158 (hereinafter referred to as the "Employer" or the "Board") recognizes the Huntley Community School District 158 Education Support Personnel Association, IEA-NEA (hereinafter referred to as the "Association") as the sole and exclusive bargaining representative for all full-time and part-time support staff (including but not limited to: Bus Drivers, Mechanics, Maintenance, Custodians, Administrative Assistants, Secretaries, Paraprofessionals, Dean's Assistants, Campus Supervisors, Mid-Day Supervision, Student Assistants, Cooks, Nurses, Assistant Registrar and Router/Dispatchers.) currently employed with the District. All Certificated employees, all District Office personnel, including but not limited to the Superintendent's secretary/office manager, Chief Financial Officer's secretary, Assistant Superintendent's secretary, Director of Food Services, Transportation Director, Assistant Transportation Director and all supervisory, confidential, temporary and short-term employees excluded under the Act are excluded from the Bargaining Unit.

### Section 1.02 New Positions

All newly-created support staff positions, except substitute and short-term employees, shall be forwarded to the Association, in writing, as soon as practical after the creation of the positions, with ten (10) work days being a guideline. Such positions shall be considered excluded from the Bargaining Unit unless included in one of the classifications listed in Section 1.1.

### Section 1.03 General Principle of Negotiations

The purpose of this recognition is a mutual agreement between the parties to negotiate in a good faith effort.

"Good faith effort" is defined as the mutual responsibility of the Association and the Board to deal with each other openly and fairly and endeavor to reach agreement on items being negotiated. It does not imply that either party will agree with, or accept, the other party's proposals, or be compelled to reach agreement on specific topics.

### Section 1.04 Sub-Contracting

While the district retains the right to sub-contract work, the district agrees during the term of the contract not to sub-contract any union group that is not currently sub-contracted. The district retains the right to review sub-contracted services and to negotiate with the union concerning sub-contracting issues at any time during the length of the contract.

If the district's current transportation staffing level is below 95% of its current needs on June 1, the district reserves the right to sub-contract with outside companies in order to meet the transportation needs of those students who are attending "out district of district" facilities for the following school year. As the district is able to fill the open vacancies, the number of sub-contracted positions will be adjusted accordingly.

## Article II.

## ASSOCIATION RIGHTS AND EMPLOYEE OBLIGATIONS

### Section 2.01

#### Payroll Deduction

Upon written request by the Employee, the Employer shall deduct Association dues from members' payroll and transmit the amount to the Association Treasurer in accordance with the procedures that are mutually agreed upon between the Association and Assistant Superintendent or designee for Fiscal Services.

The Association agrees to indemnify and hold the District harmless against any and all claims, demands, suits, errors or other forms of liability that shall arise out of or by reason of action taken or not taken by the District for the purpose of complying with the provisions of this Section or in compliance with any agreed upon forms and/or procedures related to this Section.

### Section 2.01A

#### Reporting of Underpayment

If an employee reports an underpayment within three (3) workdays of receiving the original payroll check and the amount is over fifty (\$50) dollars, the district will provide the employee a separate check to make the employee whole. In other cases, the correction will come on the next paycheck.

### Section 2.01B

#### 24 Pay

During the term of this Agreement employees will have the option of 24 pays or 26 pays if 26 pays are made available by the district.

The Association shall have the right to use a designated room for Association meetings at times and places not in conflict with the school schedule. Such use of room will be scheduled with the Associate Superintendent or designee. If the meetings require custodial service to accommodate the Association, the Association will reimburse the District for the cost of the sum within thirty (30) days of receiving an invoice from the Business Office. The Association shall have the right to use office equipment upon approval by the Associate Superintendent or designee.

### Section 2.04

#### Bulletin Boards

The Association shall have the right to post notices of activities on a bulletin board in each building. The placement of the bulletin boards shall be mutually agreed upon by both the Administration and the Association. A courtesy copy of materials posted shall be provided to the Superintendent or designee.

### Section 2.05

#### Employee Obligations

This Agreement shall not interfere with an Employee's obligation to fulfill his/her assigned duties in an efficient manner as determined by the Employee's classification of job description.

## Article III.

## GRIEVANCE PROCEDURE

### Section 3.01 Definitions

- A. An employee claiming to have incurred a violation, misinterpretation or inequitable application of the provisions of this Agreement may file a grievance.
- B. All time limits shall consist of calendar days unless the last day falls on a weekend, holiday, or non-office workday.

### Section 3.02 Procedure

The parties hereto acknowledge that it is usually most desirable for an employee and his/her immediate supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the employee, a grievance may be processed as follows:

- A. The employee may present the grievance, in writing, to his or her immediate supervisor within ten (10) days of the claim of the contractual violation. The immediate supervisor will arrange a time and date for a meeting to take place within (10) days after receipt of the grievance. The immediate supervisor or employee may also include at this meeting such persons, as they deem beneficial to the successful resolution of this problem. The immediate supervisor shall provide the aggrieved employee a written answer to the grievance within (10) days after the meeting.
- B. If the grievance is not resolved at step number one, the employee shall refer the grievance in writing to the Superintendent or his official designee within ten (10) days after receipt of the step number one answer. The same procedures as outlined in step number one regarding meeting arrangements, time limitations, persons present at the meeting, and written answers to the grievance shall be in effect for step number one.
- C. If the grievance is not resolved at steps number one or number two, then the employee has the option of requesting in writing that the grievance be placed on the agenda of the next regularly scheduled Board meeting. He/she may then present the grievance personally to the Board for their consideration and decision. The Board shall provide the employee with their written decision within twenty (20) days after the date of which the grievance was heard by them.
- D. If the employee is not satisfied with the disposition of the grievance in Step 3, the employee and/or Association must file in demand for arbitration with the AAA within thirty (30) calendar days from the date the decision at Step 3 was rendered. The voluntary labor arbitration rules of the AAA shall apply. The cost of the arbitrator services and other costs of a transcript will be borne equally by the parties.
  1. Neither party shall be permitted to present any grounds or evidence before the arbitrator which had not previously been disclosed to the other party.
  2. The arbitrator shall have no power to amend, modify, nullify, ignore or add to the terms of this Agreement. The arbitrator's authority shall be strictly and narrowly limited to deciding only the issues of the grievance filed at the Step One level within the limits established in the definition of a "grievance".
  3. Either party may make public the findings and recommendations of the arbitrator.

### Section 3.03 Other Conditions

- A. By mutual written agreement between the Superintendent and grievant (employee), the first step of the grievance procedure can be bypassed.

- B. Meetings Outside of Regular Working Hours  
All meetings shall be scheduled after regular work hours for employees unless mutually agreed between the Superintendent and grievant to meet at another time.
- C. Grievant and Association Cooperation  
The grievant and the Association shall not interrupt the operation of the District in the investigation of any alleged grievance.
- D. Timeliness by Parties  
Failure of any grievant to act on a grievance within the prescribed time limits will bar any further appeal. Failure by the Administration or Board to act on a grievance response within the prescribed time limits will permit the grievance to automatically move to the next step within the time limits provided in that step.
- E. Extension of Time Limits  
Time limits can be extended by mutual written agreement by the Superintendent and the grievant.
- F. No Reprisals  
No reprisals of any kind shall be taken by the grievant, Association, Administration and/or Board against any employee because of his/her participation or lack of participation in the grievance procedure.
- G. Filing of Materials  
All documents dealing with a grievance shall be filed separately from an employee's personnel file.
- H. Exclusion of Remedies  
In the event a grievant commences a proceeding in any state or federal court or administrative agency against the Board and/or Administration, charging the Board and/or Administration with an alleged violation of this Agreement, such remedy shall be exclusive and said grievant shall be barred from invoking any remedy by this grievance procedure while pursuing a remedy in another jurisdiction. Upon being knowledgeable of the decision by another jurisdiction, the grievant has the right to reinstate the grievance within (10) days.
- I. Expedited Arbitration  
Upon completing a mutual written agreement by the Superintendent and the grievant, the expedited arbitration rules of the AAA shall be utilized instead of the voluntary labor arbitration rules.
- J. By-Pass of Arbitration to Grievance Mediation  
By mutual written agreement, the Superintendent and grievant may elect to enter into grievance mediation prior to submitting the grievance to arbitration. The parties shall mutually agree, in writing, on the procedures for mediation, including the handling of costs to implement the process.
